No theory. No fluff. Just ****actionable levers**** that compound into ****\\$250 k**

Why This Book Exists

You already own the ****rarest asset in medtech QA****: the ability to ****guarante**
But right now, you price it like a tester.

This book teaches you to price it like a ****risk architect****.

By the end of Chapter 12, you will have:

- A ****\\$75 k fixed-fee offer**** that clients beg to pay
- A ****pipeline of 3 CTO calls per week****
- A ****micro-agency**** earning 3x margin while you sleep
- A ****Substack**** funneling \\$15 k/month in sponsorships
- An ****equity deal**** in a YC health-AI startup

The 12-Chapter Roadmap -- What You Will Master

Chapter	What You Will Build	The \\$ Outcome
1 -- From Tester to Insurance Policy	Reframe every bullet into	**\\$2.1 M
2 -- The ROI Mirror	1-page "\\$ Value Resume" + Google Sheet calculator	
3 -- The \\$75 k Fixed-Fee Formula	3-tier sprint menu (USD + VAT-exempt)	
4 -- The Regulatory Moat	Turn IEC 62304 + ISO 13485 into a fortress	Pit
5 -- The Agentic AI Goldmine	6-week "FDA-Ready Copilot Armor" blueprint	
6 -- The 15-Minute Pipeline Machine	Apollo.io + LinkedIn targeting Israel	
7 -- The \\$250/hr Anchor Script	Objection-handling + BATNA scripts	**80
8 -- The Micro-Agency Leverage Play	Hire \\$40/hr juniors, bill \\$185/hr	
9 -- The Content-to-Retainer Flywheel	Substack + YouTube + Loom demos	*
10 -- The Equity Swap Gambit	Trade sprints for 5--7 % equity	**One 7-fi
11 -- The \\$1 M Filter Dashboard	Notion tracker that kills < \\$100 k gigs	
12 -- The 90-Day \\$250 k Sprint	Quarterly OKRs + daily journal	**\\$250

How to Absorb & Execute (Your 90-Day Contract)

1. Read one chapter per week -- 2 hours max.
2. Complete the exercise at the end of each chapter -- non-negotiable.

3. Update your "\$ Value Resume" after every chapter -- print it, tape it abo
4. Send one outreach InMail per day using the script from Chapter 6.
5. Log every win in your Notion "\$1 M Filter" -- celebrate \$10 k, \$50 k, \

****By Day 90****, you will have:

- Closed your first \$75 k sprint
- Hired your first junior
- Published your first Substack post
- Signed your first equity term sheet

The Israeli Edge (Built In)

- USD pricing + VAT-exempt invoices for EU/US clients
- IATI networking in Tel Aviv for local medtech leads
- Kupat Gemel for tax-deferred content revenue
- TASE medtech signals (e.g., Insightec FDA approvals) as bonus alpha

Shay, this is not a book. It's a transformation.

Turn the page.

Your future \$500 k self is waiting on the other side of ****Chapter 1****.

Begin now. Write your first \$ reframed resume bullet in the margin below.
